POWERTRAIN

4mo/4k MILES, 1 & 2 YEAR CONTRACTS

available!

LIFETIME

coverage

**ENGINE:** All internally lubricated parts found within the Engine Block consisting of but not limited to pistons, piston rings and pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and bearings, timing chain and/or gears (tensioner and guides excluded) rocker arms, valves, valve springs, seats and guides, valve push rods, oil pump, VVT Actuators (Variable Valve Timing) and lifters. The engine block, cylinder head(s), and rotary housing are covered only when replaced in conjunction with covered repairs. There is no electrical component coverage under this section.

**TRANSMISSION:** All internally lubricated parts found within the Bell Housing of an automatic or manual transmission consisting of but not limited to gears, input and output shaft, bearings, front pump, planetary assemblies, overdrive housing/carrier, and transmission case if malfunction caused by covered parts. Reaction carrier, center support, parking lot actuator, stator and stator shaft, separator plate, pressure regulator valve, springs, governor assembly, accumulator plate and valve body. Clutch plate, pressure plate, flywheel, torque converter, release, and pilot bearings are NOT covered components. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage. Excludes all manual clutches, dual clutches, clutch plate, pressure plate, and clutch components.

**TURBO/SUPERCHARGER:** Turbo or Supercharger wastegate and control module.

**DRIVE AXLE ASSEMBLY (All Wheel drive and 4WD units):** Transfer case including gears, drive chain, main shaft, thrust washers/shims and bearings. Differential, front drive shaft axles, Universal and CV joints, except if boot is damaged and/or missing. Seals and gaskets, when in conjunction with a covered repair only. There is no electrical component coverage under this section.

**DRIVE AXLE ASSEMBLY (Front or rear wheel drive units):** Consisting of but not limited to: Drive shaft, ring and pinion gears, pinion bearings, carrier assembly, thrust washers, axle and limited clutch pack assembly, Universal and CV joints, except if boot is damaged and/or missing. Drive axle house is covered if failure is caused by listed covered lubricated parts. Seals and gaskets, when in conjunction with a covered repair only. There is no electrical component coverage under this section.

**COOLING SYSTEM:** Water pump and thermostat. There is no electrical component coverage under this section.

**FUEL:** In tank Fuel pump, metal fuel lines and metal fuel tank. There is no additional electrical component coverage under this section.

3 - 5 YEAR -OR- LIFETIME ADDITIONAL COMPONENTS

**AIR CONDITIONING SYSTEM:** Compressor, condenser, evaporator, accumulator, front blower motor. There is no electrical component coverage under this section.

**FUEL SYSTEM:** Fuel injectors, diesel injectors. There is no additional electrical component coverage under this section.

**SEALS AND GASKETS:** Within the Engine Block, Transmission bell housing and Transfer case. Excludes Exhaust System Gaskets and Intake Manifold Gasket.

**ELECTRICAL:** Alternator, starter motor, voltage regulator and distributor.

10-20K

4mo/4k MILES - LIFETIME CONTRACTS

available!

LIFETIME

coverage

**10K COVERAGE includes all of Powertrain Coverage items plus items detailed below:**

- TRANSMISSION:** Torque converter, fly wheel. Excludes all manual clutches, dual clutches, pressure plate and clutch components.
- AIR CONDITIONING:** Compressor clutch, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor.
- STEERING:** Steering gear, rack and pinion, and all internal lubricated parts. Power steering cooler and lines. Power steering pump (electric or engine driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends.
- SUSPENSION:** Stabilizer bar, links and bushings, torsion bars, swaybars and sway links, and front or rear wheel bearings. Excludes Air Springs.
- BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster.
- ELECTRICAL:** Front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, camshaft position sensor, head lamp switch, blower motor speed switch, ignition switch and lock cylinder, knock sensor and stop lamp switch.
- RENTAL CAR:** We cover one (1) day of rental reimbursement for the first four (4) hours of covered labor and 1 day of rental for every 8 hours of covered labor thereafter up to thirty-five dollars (\$35.00) per day. The total rental coverage cannot exceed two-hundred-twenty-five dollars (\$225.00).

10-50K PLUS

4mo/4k MILES - LIFETIME CONTRACTS

available!

LIFETIME

coverage

**10K PLUS COVERAGE includes all of Powertrain and 10K items plus items detailed below:**

- COOLING SYSTEM:** Fan and fan clutch, primary electric fan motor, heater core valve, and radiator.
- SUSPENSION:** Front or rear leaf or coil springs only if broken. Control arms, control arm bushings, upper or lower ball joint, control arm shafts, hub assembly, spindles, radius arms, and bushings. There is no electrical component coverage under this section. Excludes Air Springs.
- FUEL SYSTEM:** Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump and fuel sending unit.
- CRUISE CONTROL:** Cruise control switches and actuator.

BRONZE

BRONZE COVERAGE includes all of Powertrain Coverage items plus items detailed below:

- TRANSMISSION:** Torque converter, fly wheel. Excludes all manual clutches, dual clutches, pressure plate and clutch components.
- AIR CONDITIONING:** Compressor clutch, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor and accumulator.
- ELECTRICAL:** Front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, camshaft position sensor, head lamp switch, blower motor speed switch, ignition switch and lock cylinder, knock sensor and stop lamp switch.
- COOLING SYSTEM:** Fan and fan clutch, primary electric fan motor, heater core valve, and radiator.
- FUEL SYSTEM:** Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump, and fuel sending unit.
- CRUISE CONTROL:** Cruise control switches and actuator.
- STEERING:** Steering gear, rack and pinion, and all internal lubricated parts. Power steering cooler and lines. Power steering pump (electric or engine driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends. There is no additional electrical component coverage under this section.
- SUSPENSION:** Stabilizer bar, links and bushings, torsion bars, sway bars and sway links, and front or rear wheel bearings. Front or rear leaf or coil springs only if broken. Control arms, control arm bushings, upper or lower ball joint, control arm shafts, hub assembly, spindles, radius arms, and bushings. There is no electrical component coverage under this section. Excludes Air Springs.
- BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster. There is no electrical component coverage under this section.
- RENTAL CAR:** We cover one (1) day of rental reimbursement for the first four (4) hours of covered labor and 1 day of rental for every 8 hours of covered labor thereafter up to thirty-five dollars (\$35.00) per day. The total rental coverage cannot exceed two-hundred-twenty-five dollars (\$225.00).

SILVER

SILVER COVERAGE includes all of Powertrain Coverage and Bronze Coverage items plus items detailed below:

- ELECTRICAL:** Sunroof motors, convertible top motors or actuators, power antenna, power mirrors, power trunk, tailgate, hatch, and side door motors or actuators (including vacuum motors or actuators), remote door lock receivers, wiring harnesses, Ignition lock cylinder, all manually operated switches, driver information gauges. (NOTE: Remote transmitters or key fobs, GPS, Radio, Stereo Units, CD Changers, MP3 players, TV, Disc Players, Satellite Radio, and On Star units are NOT covered).
- SEALS AND GASKETS:** Intake Manifold Gasket.
- COOLING SYSTEM:** Fan control module, heater motor, heater control module, heater core, coolant pump for heater, coolant heater solenoid or control valves, radiator heater core, heater control valve, and fan blades.
- FUEL SYSTEM:** Fuel control module, fuel rails.
- BRAKES:** All brake components, including all components of the anti-lock brake system including: front or rear calipers, brake springs, pins, and hardware kits, wheel speed sensors (sensors damaged by bad wheel bearings are not covered), brake hoses, brake lines, brake combination or proportioning valves, ABS pump, ABS module, ABS hydraulic unit, ABS hydraulic control unit, ABS accumulator, parking brake actuator. There is no additional electrical component coverage under this section. (NOTE: Brake linings, pads, rotors, brake wear sensors and drums are NOT covered).

GOLD “EXCLUSIONARY”

GOLD EXCLUSIONARY COVERAGE includes all factory installed mechanical or electrical components except those items listed below and in SECTION 9 of your contract, Exclusions:

EXCEPTIONS TO GOLD COVERAGE:

1. All maintenance related items and the following parts including, but not limited to light bulbs, interior and exterior accent lighting, belts, hoses, filters, lubricants, coolants, sparkplugs, glow plugs, freeze plugs, fuses, O-rings, batteries, brake pads, rotors, drums, supplemental restraint system, seatbelts, buckles and all related components, airbags, all exhaust system components, including the catalytic converter, all emissions components (including PCV), paint, tires, wheels, and rims, body components, glass/plastic/rubber (excluding timing tensioners and guides, and coolant recovery reservoir), manual clutches, dual clutches, clutch plate, pressure plate, clutch components, clutch disc, throw out bearing/release bearing, shift fork, fasteners, bolts, hardware (unless part of a covered repair) and, Differential housing is only when in conjunction with a covered repair, factory recommended services.

2. Service suggested or required factory warranty recalls.

3. Any repair where the component has not broken or failed, or which are not worn beyond manufacturer's service limits.

4. Rust or corrosion damage, body repairs, convertible tops, air or water leaks or damage they cause, squeaks, rattles, sun damage and any weather stripping.

5. If you have selected the optional Hi-Tech coverage on the Declarations Page and paid the appropriate surcharge, the benefits under this agreement will be extended to include the following components: Satellite receivers of any type (EXCLUDING On Star), GPS systems, wireless transmitters, audio visual units or displays, televisions, DVD players, Cameras, Camera Lens, Camera Assembly, Parking Aids, Software for any onboard electronics, MP3 players, any electronic interfaces. Front and Rear Sonar Sensors, Adaptive Cruise Control System, Lane Departure Sensor, Air Suspension, Active Cornering Enhancement System and Windshield Rain Sensor. Updates or programming/reprogramming are only covered in conjunction with the failure of a covered component.

6. Any item still covered by the manufacturer's warranty.

Hi-Tech Benefit also available on most plans.
